

Submitter: Gayle Peterson  
On Behalf Of: Chintimini Wildlife Center  
Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction  
Measure, Appointment or Topic: SB5531

I have relied on Chintimini Wildlife Center for more than 20 years. When one finds an injured bird or animal it is comforting to know that Chintimini will accept the injured party and do their best to save it. I donate what I can, but they need so much more. It would be a pleasure to see my taxes go to such a worthy cause. Thank you for considering my testimony.
