

Submitter: Bill Byers
On Behalf Of: Osborne Aquatic Center
Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or Topic: SB5531

The Osborne Aquatic Center is an essential element of Corvallis's family friendly environment. Our children learned to swim there, had birthday parties there, met friends there for social occasions. It's an important exercise facility for the many people that don't want to or can't afford to join an expensive private club with pool facilities. We need this important community hub to return to use for the health of the community and our residents.
