

Submitter: Lisa L
On Behalf Of: Chintimini Wildlife Center
Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or SB5531
Topic:

I am writing in support of Chintimini Wildlife Center's request for \$1.5M (SB 5531).

Children are increasingly aware of the numerous things we do as humans that harm wildlife. Chintimini Wildlife Center demonstrates that humans can also be compassionate members of the ecosystem in which they exist - something all of our children should have an opportunity to see more of today.

Please fully fund the Chintimini Wildlife Center.
