Capital Construction

Measure, Appointment or SB5531  
Topic:

I regard Osborn Aquatic Center as an important part of our community. I am 77 years old and lap swimming has been an important part of my fitness routine. Seniors want to stay fit! I think I have fewer colds and other ailments when I swim regularly. I have lived in Corvallis since 1972 and Osborn has always been part of my life for either my kid's swimming lessons or my laps. Thank You.
