

Submitter: Anthony Albert  
On Behalf Of: Chintimini Wildlife Center  
Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction  
Measure, Appointment or Topic: SB5531

I am writing as a resident of Benton County who cares about our wildlife in the Willamette Valley to urge your support for crucial funding to Chintimini Wildlife Center. The dedicated staff and volunteers have weathered difficult years and many closures of other Valley resources for sick and injured wildlife. They are the only remaining lifeline across five counties, and they deserve our best support.
