Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: SB181

Dear Chair and Members of the Committee,

URGENT: As a fifth-generation Oregonian and taxpayer, I strongly urge you to support the humanitarian Senate Bill 181.

Dogs and cats should not be abused in painful experiments on the public's dime. Most Oregonians would be shocked to know their tax dollars could fund this cruelty. SB181 is a sensible way to make sure public funds reflect public values.

Please support this responsible and humane legislation.?

Thank you for standing with us to stop taxpayer-funded animal abuse!
