

Submitter: Delores Porch

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5531
Topic:

I am in favor of issuing lottery bonds for a one time support of Chintimini Wildlife Center. It is the only wildlife rehabilitation center in the Willamette Valley. Much is accomplished through donations of time and money, but because the need is so great due to its sole existence for miles it seeks extra help.

I have volunteered at the William F Finley Wildlife Refuge for almost 10 years. I am a Certified Master Naturalist. The interest in learning about and caring for wildlife is one of the biggest economic programs in Oregon. Please find a way to help this wonderful organization.
