Osborn Aquatic Center is an important community meeting place for people of all ages and abilities in Corvallis. It has been a major hub for swim meets for teams from all over the state. My children learned to swim there and I have been a member who lap swims for exercise for more than 40 years. I sorely miss the indoor pool and hope it can be reconstructed in a way that is safe. I feel Osborn Aquatic Center is important as a center for the community of Corvallis.
