

Submitter: Peyton Egeland
On Behalf Of: Corvallis Aquatic Team
Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or Topic: SB5531

As a swimmer who has competed at the Osborn Aquatic Center for several years, it is heartbreaking to think that I may no longer be able to compete in that pool. But more importantly, my close friends from the Corvallis team would be losing the pool that gave them the love for the sport, and where numerous unforgettable memories have been made, not only for them but me as well.
