Capital Construction  
Measure, Appointment or Topic: SB5531

As a parent of two grown children, I would like to ask for support to repair Osborn Aquatic Center. Both of my children learned to swim there and were active on the Corvallis Aquatic Team for over 10 years. In addition, both my husband and I were involved at various times with the Masters group. One of my sons was a lifeguard, the other taught swim lessons. Osborn is an invaluable asset to the local community as well as the state. The pool has provided recreational, employment, and athletic competition opportunities for many years, and will i to the future with aid to get repairs completed. Please provide funding to help make this happen
