

Submitter: Emily Finnan
On Behalf Of: Osborn Aquatic Center
Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or Topic: SB5531

Osborn Aquatic Center is an important hub in our community-children learn to swim, senior citizens exercise there, and families enjoy the rec time together. It hosts swim meets, birthday parties, and the high school swim team practices. The scope of the repair is too large for the school district and city to handle alone. Please support Osborn with these construction dollars!
