

Submitter: Wendy Byrne
On Behalf Of: Osborn Aquatic Center
Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or Topic: SB5531

To whom it may concern- Please add my voice to the chorus of those in support of a 5million dollar appropriation to help repair the Osborn Aquatic Center so that it is once again functional as an important place in Corvallis, Benton County and the State of Oregon. Swimmers from all over the state benefit from the use of this aquatic center. We locals miss it very much but we know the need for it extends beyond us. Money spent here will have a significant positive ripple effect. Please fund this request with our lottery dollars. Thank you for your service and your time.

-Wendy Byrne
