

Submitter: Janet Richardson
On Behalf Of: Osborn Aquatic Center
Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or Topic: SB5531

As a prior resident of Coos Bay, I lived next door to Mingus Pool and routinely swam laps. When I visited my mom in Corvallis, I didn't miss a day because I could swim at Osborn pool. Now that I live in Corvallis I realize the importance of a community pool. I am very disappointed to find the pool closed! I would like to help support Osborn reconstruction and I hope the state can help fund this much needed community pool.
