

Submitter: Arianna Sweeney

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

I support expanding SB181 to include ending the use of primates in breeding and research. These animals (especially) feel the same as we do as humans. They have thoughts and feel fear and nurture their young as we do. Stop this horror, we are beyond the need for use of primates in research. I ask as a mother and an animal lover—end this!
