

Submitter: Matthew Hart

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

Take one moment to put yourself in the shoes of these animals. Not one asked for their situation, and there are a few experiments that are completely unnecessary to the advancement of anything other than psychological warfare or torture.

We as the advanced species on this planet have a responsibility to steward a healthy planet. This is NOT advancing the betterment of humanity.
