

Submitter: Sally Cadonau

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

To whom it may concern,

The torture and killing of innocent, sentient beings should be prohibited. We live in a world where cruelty to those most vulnerable has been tolerated and we as humans need to change course for a more humane world for all.

Thank you for your compassion in shutting this facility down.
