Osborn has been a big part of my family for many years, my kids learned to swim there as toddlers and my son has been part of the swim team for 4 years. I enjoyed swimming early morning lap swim as a full body workout but now I struggle to find a pool that fits my needs as well as Osborn. For my son's swim meets it is really nice to have them here in town so that I do not have to skip work to drive him to them. Repairing this pool would make my life and other swim parents lives much easier and better. Thank you for reading
