

Submitter: Rosalie Gibson

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: SB181

I feel like in this day and age it is unfathomable how research is being done on innocent animals. With all of the technology that we have access to in this time period, I'm sure you can come up with a better and even more accurate way of testing. I do NOT want my tax dollars going towards this torture of innocent animals.
