

Submitter: pilar hernandez-wolfe

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

We do not need to conduct experiments/torture on primates to try to extrapolate results to humans. I support expanding Senate Bill 181 to include ending the use of primates in breeding and research. Please end this senseless, outdated, and horrific practice.
