

Submitter: Geri Berg
On Behalf Of: HB 2251A
Committee: Senate Committee On Education
Measure, Appointment or Topic: HB2251

I am supporting HB 2251A to improve youth mental health, attendance and academic performance. We cannot receive an average of 200 communications on our phones per school day, and still be learning, focusing, engaging in classroom learning.

Sincerely, Geri Berg,MSW
