

Submitter: megan petrucelli

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

I support expanding SB181 to include ending the use of primates in breeding and research. I would additionally like to advocate for the rehoming of all of the primates currently being held for research purposes to appropriate reserves where they will never be subjected to the torturous conditions they have been subjected to in research facilities.
