Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

It has been scientifically and medically proven that research on animals does not reflect accurate human related results. Thus lab research on animals is abusive, sadistic, and even murderous! STOP THIS ACTIVITY NOW! Support SB181 humanitarian directive to end this brutally archaic activity. THANK YOU FOR HELPING TO RAISE THE CONSCIOUSNESS OF HUMANITY. Diana Kekule
