Measure, Appointment or Topic: SB181

As an Oregon resident, I'm asking you to please support SB 181, which will prohibit state funding for experiments that cause the most suffering on dogs and cats at university laboratories. Additionally, I encourage you to expand the bill to close down the OHSU primate facility responsibly and humanely for all concerned, benefiting both the animals and the workers involved. Alternatives exist. Why are they not being employed? It's time to end this particular brand of cruelty in Portland. If you have to cause unimaginable pain and suffering to a life form for any supposed reason then perhaps you need to reevaluate what exactly you are doing because it most certainly is the wrong thing. Shut this down now.
