Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB243

I am against SB 243. This bill will have no effect on criminals who illegally obtain guns, it will only affect law-abiding citizens. Limiting concealed carry properties will also affect law-abiding citizens only, giving criminals a place where they feel safe to commit crimes or mass shootings where they know there will be little or no resistance to committing a crime. Do not pass SB 243.
