Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB243

I am asking you to oppose SB 243, it will cost the State insane amount of money and will not stop crime in anyway, in fact the criminals will have more rights than the law abiding citizens as they don't go through background checks or get their firearms legally. It will be the taxpaying, law abiding citizens that will suffer greatly if this bill passes. I can not imagine anyone voting for any elected official that agrees or votes to pass this bill. This will have the worst effect on young women, children and those less fortunate. Please help stop this insanity, Thank you, Candy Yow
