I oppose SB 243. Apparently the Democratic Supermajority missed this memo, or they read it and chose to ignore it. A Constitutional right cannot be voted away. A constitutional right cannot be legislated away. A constitutional right cannot be manipulated or changed into that of a government granted privilege that can be revoked for any reason, or for no reason.

Oppose SB 243. Oregon does not have a gun problem. Oregon has a democratic supermajority problem.
