

Submitter:	W. Triska
On Behalf Of:	Family and friends
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB243

Targeting lawful gun owners doesn't work and gun free zones just attract the criminally insane and other assorted predators seeking unarmed prey.

Public opinion is shifting, and politicians that legislate against lawful citizens instead of the lawless and mentally ill are going the way of the dinosaur -- and that includes Republicans enablers who show up for a quorum!
