SB243

This bill as well as others that this legislature is working on in this session are all Unconstitutional as they, if passed infringe on US Law Abiding Citizens of this once Great State of Oregon.

You ALL TOOK AN OATH TO UPHOLD BOTH THE STATE AND UNITED STATES CONSTITUTIONS!! Did You Not!

If you did not then you must excuse yourselves from any kind of discussion &/or vote on ANY BILL. If you DID then do what the law says and vote this or any bill that has anything to do with the Second Amendment down with a NO VOTE!

Thank You for your time.
