

Submitter: Edward Vance

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB243

Please do not support this bill! This is an ill advised bill that will do nothing to fight violent crime. Criminals don't obey the law. The only people that this bill will affect are the law abiding citizens of Oregon. Because different jurisdictions will have different restrictions which will be confusing ,This bill will make it difficult for law abiding citizens to know where they can and can't legally carry a firearm even with a permit. This bill will make it more difficult for people to defend themselves and their loved ones. These type restrictions have already been found unconstitutional by the supreme court in other states.

Thank you
