Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: SB181

Please vote to support and pass SB 181. As an Oregonian, an avid animal lover, and a believer in ethical science, I think it is high time to move away from unnecessary animal experimentation and laboratory testing. No state funds should be used for animal exploitation and essentially, torture.

I would also encourage this bill to be a jumping point to shut down the primate facility at OHSU.

Please pass this bill. Thank you.
