

Submitter: Wendy Barner

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I support expanding SB181 to include ending the use of primates in research.

These are sentient beings who deserve to live in nature, have families and love and support for being exactly who they are, and how they are. They are not ours to hurt, torture, test or use as objects. I support expanding SB181 to include ending the use of primates in research. Thank you Wendy Barner.
