

Submitter: Jody Garhart

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I don't want one cent of my taxes to go toward cruel and inhumane experiments on dogs monkeys . I thought as human beings we had gotten beyond doing that. Yet here we are in 2025 doing cruel and horrible tests on animals. Shame on Oregon for allowing and funding this. What is the matter with people here who would allow this for what?
