Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: SB181

As a long time Oregon resident, I'm asking you to please support SB 181, which will prohibit state funding for experiments that cause suffering to dogs and cats at university laboratories. Additionally, I strongly encourage expanding the bill to close down the OHSU primate facility in a responsible and humane way for all concerned—benefiting both the animals and the workers involved. Since the days of Governor McCall, Oregon has always shown the way to the rest of our Nation, and indeed, the rest of the world. Now is another such opportunity for our Oregon legislature to lead in correcting such barbaric procedures.
