On Behalf Of: SN 181
Committee: House Committee On Emergency Management, General
Government, and Veterans
Measure, Appointment or Topic: SB181

Please support SB 181 to prevent useless and cruel experiments on cats, dogs, and monkeys and authorize the closing of the primate research center which houses, tortures, and kills monkeys. Please make sure that any animals in their care be transferred to a safe facility where they may live out their lives in a caring environment free of pain, abuse, and unnatural and cruel deaths. I am outraged that Oregonian's tax dollars are being used for this horrific abuse of animals who deserve more from the humans who are the recipients of all the benefits these creatures bring to our lives !
