

Submitter: Andrea Boydston

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

I support measure 181 that prohibits a research facility from using public funds to directly fund medically unnecessary laboratory search on dogs or cats that is classified under certain pain and distress categories.

P/S Use the researchers instead it'll be cheaper and quicker. They can speak and say you are hurting me or yes this hurts. Duh
