Subject: Letter of Support for Memorial Resolution (SCR 24) for Fallen Firefighter Brian Flowers

I am writing to express my wholehearted and unwavering support for the proposed memorial resolution honoring the life and service of fallen firefighter Brian Flowers.

Brian Flowers' dedication to the safety and well-being of our community was exemplary. His courageous service and ultimate sacrifice represent the highest ideals of the firefighting profession. He served with honor, bravery, and a deep commitment to protecting the lives and property of the citizens of Gresham, Oregon.

A memorial resolution is a fitting and necessary tribute to Brian's extraordinary life and the profound impact he had on our community. It would serve as a lasting reminder of his selflessness and the risks firefighters take every day to keep us safe.

This resolution would:

- **Acknowledge Brian's Sacrifice:** It would formally recognize the ultimate sacrifice Brian made in the line of duty, ensuring his memory is forever enshrined in our community's history.
- **Express Gratitude:** It would provide an opportunity for the community to express our deepest gratitude for Brian's service and the sacrifices made by his family.
- **Honor His Legacy:** It would serve as an inspiration to current and future generations of firefighters, reminding them of the dedication and courage required to serve our communities.
