

Submitter: Robert Baskette

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I support expanding SB181 to include ending the use of primates in breeding and research. It is time. We all know primates are so closely related to us and are smart social animals. They know what is happening to them and don't deserve the pain, suffering and emotional abuse.
