On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I'm asking you to please support SB 181, which will prohibit state funding for experiments that cause the most suffering on dogs and cats at university laboratories. Also please encourage expanding the bill to close down the OHSU primate facility in a responsible and humane way for all concerned for both the animals and the workers involved.
