Measure, Appointment or Topic: SB181

I support expanding SB181 to include ending the use of primates in breeding and research. This has been ongoing for over 44 years at OHSU, since I moved to Oregon in 1982. I remember it clearly, as I started to refuse the temporary positions offered for clerical there at the time, because of their blatant actions and refusals to reform. This needs to be addressed now. And they need to be made to stop. These poor animals need a voice and I am here to say, ENOUGH IS ENOUGH. IT MUST BE HALTED TODAY!! PLEASE!!!
