Measure, Appointment SB181
or Topic:

I am writing to ask that you use your power to ensure that Oregon Health & Science University closes its notorious primate experimentation facility, the Oregon National Primate Research Center. Also to prohibit all state funding for experiments on dogs and cats at university laboratories.

I support expanding Senate Bill 181 to include ending the use of primates in breeding and research.

Please insist that OHSU close the Oregon National Primate Research Center. Thank you.

Sincerely,
Lori Fisher
