

Submitter: Diane Venberg  
On Behalf Of: SB310  
Committee: House Committee On Emergency Management, General  
Government, and Veterans  
Measure, Appointment or Topic: SB181

Please support SB 310 to phase out the use of animals in labs at OSHU. There is no excuse for the pain and suffering these animals endure. There are modern alternatives that ensure more accurate outcomes without inflicting terror and harm upon sentient beings. As an Oregon resident, I'm hopeful that SB 310 will be successful in creating a more humane community.

Thank you,  
Diane Venberg
