

Submitter:	Randy Wilhelm
On Behalf Of:	Oregon state law abiding citizens.
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB243

To all officials of the state of Oregon, I strongly oppose any infringement of our second amendment rights. I will stop there and keep it short and simple. I have written multiple times on this continuously evolving bill. Who knows what it'll say tomorrow? If it infringes on our second amendment rights as this one does, I will post again. Oh, it also does nothing to prevent crime. Only affects law-abiding citizens.

Thank you,
Randy Wilhelm
