

Submitter: Desi Pritchard

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

I strongly encourage you to vote yes to prohibit public funds for unnecessary lab research on dogs or cats. In addition, I urge you to expand the bill and close the OHSU primate center, where thousands of primates have undergone cruel and unnecessary experiments. These experiments are outdated and a waste of precious lives and money.
