On Behalf Of:

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: SB181

As an Oregon resident and registered voter, I am asking you to PLEASE SUPPORT the passage of SB 181 which will prohibit any and all state funding for experiments involving and causing suffering for dogs, cats at university laboratories. Additionally, I encourage you to expand the bill to CLOSE down OHSU primate facility responsibly and humanely for all concerned, benefiting both animals and workers involved. In the age of technology, we do not need to use animals causing terror and suffering!!!
