

Submitter:	Simon LaFontaine
On Behalf Of:	Self
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB243

First this goes against the 2nd amendment, denying the right to bear arms. This could bear horrible consequences to the person waiting for their right to protect themselves, having to wait 72 hours or more. Females in particular could be the one targeted by this measure, by having to wait to protect themselves.
