SB243

It is with continued disappointment that I have to submit this testimony. These proposed laws are not only unconstitutional and a waste of time and taxpayer dollars but our State is in a financial crisis as it is. There's no way that these new laws can be funded nor should they be.

Enforce the laws that are in place , punish criminals and leave law abiding citizens alone.

Elections are coming and these attacks on our rights will cost those who push these agendas.
