Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: SB181

As an Oregon voting family, Molly, Connor and I write to ask you to please support SB 181, which will prohibit state funding for experiments that cause the most suffering of dogs and cats at university laboratories. Additionally, I encourage you to expand the bill to close down the OHSU primate facility responsibly and humanely for all concerned, benefiting both the animals and the workers involved. Save taxpayer funds for needed priorities, help stop the needless torture, suffering and deaths of these helpless dogs, cats and monkeys and just do the right and humane thing. Thank you.
