

Submitter: Joy Gillespie

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: SB181

I support expanding SB181 to include ending the use of primates in breeding and research. Please stop this cruelty to helpless animals with no voice in the name of science and research. We must find other ways to test such as humans who do have a voice and can volunteer for such experiments.

Thank you for changing these barbaric practices.
