Measure, Appointment or Topic: SB181

"As an Oregon resident, I'm asking you to please support SB 181, which will prohibit state funding for experiments that cause the most suffering on dogs and cats at university laboratories. My whole adult life has been devoted to never purchasing items that have been tested on animals, and now, only now, is Oregon considering ending the cruel practice. Additionally, I encourage expanding the bill to close down the OHSU primate facility in a responsible and humane way. It's the only way."
