

Submitter: Kristin Harvey

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

It is time to stop the use of primates in all forms of research. Primates are our  
cousins. They are sentient, feel fear and carry trauma. This is a cruel and outdated  
model for research. Please invest in a more humane method for research. Thank you
